2. ASSET MANAGEMENT SERVICES

2.1 The Client engages Amdax for Digital Asset management services. These services include the following:

- (a) buying and selling Digital Assets;
- (b) transferring Digital Assets from and to Digital Asset exchanges;
- (c) instructing third parties to exchange Digital Assets or transfer Digital Assets from and to the Client's Account;
- (d) lending of Digital Assets;
- (e) place Orders in relation to one or more Digital Assets;
- (f) management and decision-making acts with respect to the Client's AUM; and
- (g) all other acts deemed useful, appropriate or necessary for the management of the AUM.

(the **Asset Management Services**)

- 2.2 The Client grants Amdax a (i) power of attorney to perform legal acts in the name of the Client, attached as Annex 1, and (ii) the power to perform legal acts in its own name for the account of the Client, all to the extent that this is desirable, useful or necessary for the purposes of performing the Asset Management Services.
- 2.3 Amdax may (i) act on behalf of the Client, as counterparty to the Client or on behalf of one or more other persons involved in the (legal) act when performing legal or other acts, and (ii) act on its own behalf on behalf of the Client on behalf of one or more other persons involved in the (legal) act.
- 2.4 Subject to the provisions of this Agreement, Amdax may perform the Asset Management Services in a manner it deems desirable, useful or necessary considering the interests of the Client, without being required to consult with the Client.
- 2.5 The Client acknowledges and agrees that Amdax performs the Asset Management Services independently and at its sole and full discretion, in the Client's name and for the Client's account and risk. The Client will refrain from managing his/hers AUM and shall not instruct Amdax to execute specific Orders for performing the Asset Management Services.

3. INITIAL INVESTMENT, DEPOSITS AND WITHDRAWALS

- 3.1 The Client's Initial Investment consists of the initial value of the Euros or Digital Assets that the Client transfers to Amdax for the purpose of inclusion in the Asset Management Services (the **Initial Investment**). The Initial Investment shall be denominated in Euro. The Euro value of an Initial Investment is determined in Amdax's valuation report which shall be shared with the Client at the start of the Algorithmic Asset Management Services.
- 3.2 The Client may decide to make additional intermediate deposits in Euro or Digital Assets for the purpose of inclusion of the Euro value or Euro equivalent value of such a deposit in the Asset Management Services in accordance with the investment strategies of the allocated Investment Profile. Amdax shall process such deposits with the utmost care and shall discuss the intended process for inclusion of such deposits into the Asset Management Services with the Client in advance.
- 3.3 The Client may request Amdax to process intermediate withdrawals denominated in Euro, Bitcoin or Ethereum from the AUM if and for the part that the AUM exceeds the value of EUR 100,000.-. Amdax shall process such withdrawal with the utmost care and shall discuss the intended process for extraction of the intended asset withdrawal from the Asset Management Services with the Client in advance. The assets to be withdrawn shall be transferred to the custody and trading account that the Client holds with Amdax.

4. CUSTODY AND TRADING

- 4.1 The Asset Management Services are provided under the condition that the Client has entered into an agreement with Amdax for its trading and custody services prior to the Effective Date.
- 4.2 All Digital Assets are purchased or sold through the use of Amdax's order execution service, which includes the purchase or sale of Digital Assets via third parties (e.g. Digital Asset exchanges) or decentralized Digital Asset exchanges.
- 4.3 All Digital Assets will be held separately in the Account or at the exchange on which the Digital Assets were purchased.

5. INVESTMENT PROFILES

- 5.1 Amdax has developed multiple Investment Profiles and will allocate to the Client on a basis of mutual agreement an appropriate Investment Profile on the basis of our understanding of the Client's investment objectives and attitude to risk. The Client's portfolio will subsequently be derived from and managed in line with the specific Investment Profile.
- 5.2 Amdax may deem it necessary or appropriate to change the investment strategies that the Investment Profile applicable to the Client comprises of, from time to time to reflect, among other factors, investment performance, financial market conditions, liquidity conditions, Client's investment objectives and/or Client's attitude to risk.
- 5.3 Amdax will manage each Investment Profile on a discretionary basis. Consequently, and subject to the applicable Investment Profile, Amdax assumes when providing Asset Management Services that its discretion is not subject to any restriction or limitation in respect of the value of any one investment or the proportion of Client's portfolio which any one investment or any one kind of investment may comprise.
- 5.4 When providing Asset Management Services, Amdax will only deal in Digital Assets that Amdax reasonably considers suitable for the Client in accordance with Client's investment knowledge and experience, Client's financial circumstances including Client's ability to bear losses and Client's investment objectives, including Client's attitude to risk.
- 5.5 The Client confirms that he/she has been informed about the Investment Profiles and specifically that he/she has been informed about the Investment Profile. The Client also confirms that he/she is aware of the risk characteristics of the Investment Profiles and specifically that he/she has been informed about the Investment Profile allocated to him/her.
- 5.6 The Client confirms that the Investment Profile correspond to Client's financial and personal situation, risk capacity and risk tolerance, and that the Client has provided Amdax with all information necessary to assess Client's risk capacity and risk tolerance and that this information is correct.

6. INFORMATION AND RISKS

- 6.1 The Client represents that all information provided by the Client orally or in writing to Amdax is correct and complete. The Client shall accurately and fully inform Amdax of any facts and/or circumstances (e.g. relating to its financial position, investment objectives and risk perception) which may be relevant for the proper performance of the Asset Management Services and the suitability of the Investment Profile allocated to the Client.
- 6.2 The Client declares he/she is aware of the risks associated with investments in Digital Asset and investments made in the performance of the Asset Management Services, including various market, currency, economic, political, and business risks and risks relating to the high volatility of Digital Assets. The Client is aware that the achievement of Client's investment objectives and performance results under the Asset Management Services is not guaranteed by Amdax and that the Client may lose all or a substantial part of its investment.

7. FEES

- 7.1 The Client shall in consideration of the Asset Management Services pay the following Fees:
- (a) An initial Setup Fee.

- (b) A Custody Fee, based on the Digital Assets that are part of the AUM, calculated and determined at the Calculation Time on the last calendar day of each Period.
- (c) A Management Fee, based on the AUM, calculated and determined as a percentage of the AUM at the Calculation Time on the last calendar day of each Period.
- (d) A Performance Fee, calculated based on the AUM at the Calculation Time on the last calendar day of each Period. The initial High-Water Mark used for calculating the Performance Fee is equal to 100% of the Initial Investment. Thereafter, the High-Water Mark is corrected for deposits, withdrawals and Fees every Period.

If, at the Calculation Time on the last calendar day of a Period, the AUM is:

- (i) higher than the High-Water Mark, the Performance Fee is calculated as a percentage of the difference between the AUM and the High-Water Mark. In such case, the High-Water Mark for the following Period will be set at the amount equal to the value of the AUM at the Calculation Time on the last calendar day of the most recent Period; or
- (ii) equal or lower than the High-Water Mark, no Performance Fee will be due.

7.2 The Fees are published on our website and incorporated by reference in this Agreement, as amended from time to time. The Fees are exclusive of any applicable VAT. The Client agrees that acceptance of the terms of this Agreement includes the acceptance of the Fees. We reserve the right to change the Fees at any time. Any change to the Fees will be notified to the Client before it takes effect. By using the Asset Management Services following any change to the Fees, the Client consents to the amended Fees and agrees to be bound by those.

7.3 At the end of each Period, Amdax will send an invoice to the Client specifying the Fees. The Setup Fee will be charged with the Client's first invoice. The Management Fees shall be charged and settled on a monthly basis, upfront at the beginning of a Period, based on the AUM at the Calculation Time on the last day of the previous Period. The Performance Fees, when applicable, shall be charged and settled on a monthly basis, in arrears at the beginning of the next Period, based on the AUM and High-Water Mark at the Calculation Time on the last calendar day of the applicable Period. Any amounts due in Fees will be deducted from the Client's Euro balance or equivalent thereof in Digital Assets, unless otherwise agreed.

8. REPORTING AND ADMINISTRATION

8.1 Amdax will provide the Client with an account statement on a weekly basis. The account statement includes, at least, the High-Water Mark, the AUM and an overview of the Client's Digital Assets composition.

8.2 The Client's Digital Assets and each individual transaction carried out by Amdax, is always available for review by the Client in the Amdax web application.

9. LIABILITY AND INDEMNITY

9.1 Amdax is not liable for any loss or damages incurred by the Client, including any loss of Digital Assets or any part of the AUM, unless such loss or damages is caused by willful misconduct (*opzet*), gross negligence (*grove schuld*) or attributable failure (*toerekenbare tekortkoming*) of Amdax. Liability for such damages shall be limited to liability for direct damages resulting from said willful misconduct (*opzet*), gross negligence (*grove schuld*) or attributable failure (*toerekenbare tekortkoming*) and shall not include indirect damages, including but not limited

to consequential damages, lost profits and lost savings. In any event, Amdax's liability shall be limited to the amount covered and paid by its insurer or, in case not covered under an insurance, to the amount of EUR 25.000,-.

- 9.2 The Client will hold harmless and indemnify Amdax, its directors, officers, employees and agents against all claims, losses, damages, liabilities and expenses which Amdax may incur if and to the extent that such loss is caused by the Client's own actions or omissions or by any inaccuracy of information provided by the Client or a breach by the Client of any of its obligations under this Agreement.

10. TAX

- 10.1 The Client is responsible for assessing its tax position and the tax consequences arising from or in connection with this Agreement and the Asset Management Services. Furthermore, the Client is responsible for the payment of all taxes due and payable in respect of the Digital Assets and Euro in its possession.

11. DURATION, AND TERMINATION OF THE AGREEMENT

- 11.1 This Agreement commences on the date the Client signed this Agreement (the **Effective Date**) and shall, unless otherwise terminated in accordance with the provisions of this Agreement, be effective for an indefinite term. The Asset Management Services will be provided as of the moment the Client has transferred its Initial Investment to Amdax.
- 11.2 The Agreement may be terminated at any time by any Party by giving one-month prior written notice (which includes by email) to the other Party.
- 11.3 In case this Agreement is terminated by the Client, as from the moment that Amdax receives the termination notice from the Client, the Asset Management Services shall be put on hold. As from that moment onwards, transactions performed by Amdax are only carried out with the aim of winding down Client's asset management portfolio and therefore no more transactions are carried out in accordance with the Investment Profile. No Management Fees shall be charged as from the moment that the Asset Management Services are put on hold, but Performance Fees may be applicable.
- 11.4 Any locked asset positions that exist in Client's asset management portfolio at the moment that the Asset Management Services are put on hold after termination of this Agreement and the Asset Management Services, shall be liquidated at the earliest possible moment in time. Depending on the preference of the Client, once unlocked, these positions shall be exchanged to Euro, Bitcoin or Ethereum. No Management Fees shall be charged for the duration that an asset position remains locked after the Asset Management Services are put on hold, but Performance Fees may be applicable once the asset positions are unlocked and liquidated.
- 11.5 In case this Agreement and the corresponding Asset Management Services are terminated, the Client's asset management portfolio shall, depending on the preference of the Client, be exchanged to Euro, Bitcoin or Ethereum. The assets shall subsequently be transferred to the custody and trading account that the Client holds with Amdax.
- 11.6 Amdax shall be entitled to terminate the Agreement with immediate effect, without any notice being required and without being liable for any damages as a result of the termination, by sending a written notice, if the Client:
- (a) breaches any material provision of this Agreement or any material provision of the Client Agreement; or

- (b) is declared bankrupt or has been granted debt restructuring for natural persons, or a filing has been made for bankruptcy or debt restructuring for natural persons.

12. CONFIDENTIALITY

- 12.1 The Parties shall, throughout the duration of this Agreement and after this Agreement has ended for whatever reason, refrain from disclosing in any manner to any individual any information of a confidential nature concerning the other Party which has become known to such Party as a result of the performance of the Asset Management Services pursuant to or in connection with this Agreement and of which such Party knows or should have known to be of a confidential nature (including but not limited to any document provided by Amdax relating to (investment) profiles or policies).
- 12.2 Notwithstanding clause 12.1, Amdax may disclose confidential information related to the Client if required to do so by applicable law or regulation or by any competent judicial, governmental, supervisory or regulatory authority to which Amdax or any of its group companies is subject.

13. GENERAL

- 13.1 Upon signing of this Agreement, all other agreements or arrangements between Amdax and the Client relating to the Asset Management Services, if any, shall cease to have effect and is superseded by this Agreement. This Agreement constitutes the entire understanding between the Client and Amdax in respect of the subject of this Agreement. This Agreement shall be binding upon and shall inure to the benefit of Amdax's successors but is personal to the Client who shall not be entitled to assign this Agreement to any third party without the consent of Amdax. Amdax may assign this Agreement to any of its affiliated companies.
- 13.2 In the event of any conflict or inconsistency between this Agreement and the Terms and Conditions relating to the subject matters herein, this Agreement shall prevail, unless otherwise expressly provided in writing by the Parties.
- 13.3 Amdax reserves the right to amend, add or remove parts of this Agreement, the Annex(es) and any related documents at any time and in our sole discretion without the consent of the Client being required. The Client will be informed by Amdax of any material amendment. Amdax may not provide an advanced notice if there is a material reasonable ground to do so.
- 13.4 If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction, this shall not affect or impart the legality, validity or enforceability in that jurisdiction of any other provision of this Agreement and any such illegal, invalid or unenforceable provision shall be replaced by a legal, valid and enforceable provision which, given the contents and purpose of this Agreement is, to the greatest extent possible, similar to that of the original provision.

14. GOVERNING LAW AND JURISDICTION

- 14.1 This Agreement is governed by the laws of the Netherlands. Any dispute arising out of or in connection with this Agreement or any contractual or non-contractual obligations connected to this Agreement will be exclusively settled by the competent court in Amsterdam, the Netherlands.

ANNEX 1
